

Re-Elect
 Peggy West for 12th
 District County
 Supervisor
 February 19, 2008

Dear Neighbor,
 During my first term, I fought to improve the quality of life for not only the 12th District, but for all of Milwaukee County.
 I have worked to maintain county services while finding ways to reduce spending.
We have made great progress but our work is not done.
 During this spirited campaign, I look forward to talking with residents about how we can make a better 12th District for the future.
